Good evening. Most of the senior political staff at EPA have already received this invitation. I just got a look at the invite list and wanted to make sure that some of you hard working career staff got a chance to attend as well. Space is extremely limited but if there are one or two folks that I have missed that you think should attend please let me know. I really hope you can join us.

Note: We ran this by the appropriate staff at EPA on ethics concerns and they gave the thumbs up.

My email has been scrambling the invites so please see the attached PDF.
